6.	<p>You should now see the Activity Syllabus section where you will find all of the components needed to complete this course. You will find two different types of components: Assignments and Web-based modules. This course has 10 total segments.</p> <ol style="list-style-type: none"> 1. The Assignment will require you to review information and complete documents to be turned into your manager or HR staff. 2. Each web-based module will need to be launched. You can pause and start each module at your convenience. After you have watched the module you can close out that window and you will return to the main Activity Syllabus screen to launch the next component. You never want to close the main PeopleSoft screen, only close the pop up windows. <p>Please start with the first assignment component. Click the New Employee Orientation Online Packet link.</p> <p>New Employee Orientation Packet</p>
7.	<p>To complete this assignment you will want to review the New Employee Orientation Packet. This packet contains detailed information important to all new hires.</p> <p>For this assignment please focus on the <u>paperwork portion</u>. If you have not done so already you will need to print and complete Form I- 9 and all tax and payroll forms. You can keep this webpage open for reference while you complete the training.</p> <p>Click the Assignment URL link and review the new hire forms to be used in conjunction with the first web based video.</p> <p>Assignment URL</p> <p>http://www.in.gov/spd/onboarding/2350.htm</p>
8.	<p>When you have finished reviewing and printing the information you can minimize or close the page and click the Return to Previous Page link to return to the syllabus.</p> <p>Return to Previous Page</p>
9.	<p>Now you can launch module two (2) which is a web-based video called New Employee Paperwork & the Onboarding Experience. This video will launch in a separate window. The following web based module will go over each form you just printed in detail.</p> <p>You have already opened the New Hire Orientation Packet and can print any of the forms discussed in this video to be turned into HR staff or manager.</p> <p>NOTE: You will need headphones to hear the audio or a speaker at your computer.</p> <p>Click the Launch link. Launch</p>
